

Court Chair's report

Note by Hamish Common

1. There is very little to report as the Union Court has not met since the last Trustee Board meeting.
2. There was some fairly minor oversight of the NUS referendum administration, but thankfully no issues arose from the referendum which required resolution.
3. I can also confirm under section 21.4 of the Union's constitution that the proposed constitutional and regulatory amendments as approved by the last Union Council are proper and fair and do not raise any obvious difficulty.
