

Executive Committee

4th November 2010 ~~Passed by Executive Committee~~

14th January 2010

Passed by Executive Committee

14th January 2010

Formatted: Superscript

Imperial College Union

Web Policy

[A note by the Deputy President \(Finance & Services\)](#)

General

1. This policy applies to all Union web activity, including commercial activity and that of Clubs, ~~and~~ Societies & Projects.
- ~~1.2.~~ The Union is responsible, and ultimately liable, for the content of Clubs, ~~and~~ Societies' & Projects websites both to College and legally so therefore must retain control of these sites.

Formatted: Bullets and Numbering

Definitions

3. The Union owns and controls the following public web-servers, defined as:

- ~~Old Clubs Server:~~ heeps.su.ic.ac.uk (aka ~~www.union.ic.ac.uk~~)
- ~~New Clubs Server:~~ dougal.union.ic.ac.uk (www.union.ic.ac.uk)
- ~~Club Activities Server:~~ sufina.union.ic.ac.uk
(~~eactivities~~workbench.union.ic.ac.uk)
- ~~Main Servers:~~ atropos.su.ic.ac.uk, clotho.su.ic.ac.uk
(imperialcollegeunion.org)
- ~~Others:~~ pinky.su.ic.ac.uk, perky.su.ic.ac.uk

Formatted: Font: Not Italic

4. City & Guilds College Union maintains the following servers, for which Imperial College Union is ultimately responsible:

- guildserver.su.ic.ac.uk
- guilds.me.ic.ac.uk

Formatted: Bullets and Numbering

5. The Union also operates a number of test servers which are administered at the discretion of the ~~Business Systems Support Consultant~~ Systems Coordinator.

~~5.6.~~ The position of Systems Administrator refers to a volunteer systems administrator, typically a full member of the Union.

Formatted: Bullets and Numbering

~~5.7.~~ Exchange distribution lists refer to mailing lists made available by the College which can only be used with internal email addresses

~~5.8.~~ Mailman lists refer to mailing lists made available by the College which are not restricted by Imperial College only addresses.

Roles and Responsibilities

9. The President has ultimate responsibility for the content and administration of the webservers.

~~9.10.~~ The President shall delegate day-to-day operation of the web facilities to the DPFS.

Formatted: Bullets and Numbering

~~9.11.~~ The Systems Administrator(s) shall maintain and the Clubs, ~~&~~ Societies & Projects web-servers and should report to the DPFS.

~~9.12.~~ The incumbent Systems Administrator(s) shall recruit a replacement before they leave, to be ratified by the DPFS.

~~9.13.~~ In the case of a vacancy of a System Administrator, it is the role of the Deputy President (Finance & Services) to recruit for this position.

Access and Administration

14. All access requests to the Union web-servers shall be directed to the DPFS.

~~14.15.~~ All mailing lists and login requests shall be directed to the DPFS.

Formatted: Bullets and Numbering

~~14.16.~~ Clubs with existing logins may request additional logins at the discretion of the DPFS.

Executive Committee

~~4th November 2010~~ Passed by Executive Committee
~~14th January 2010~~

Formatted: Superscript

- 14.17. The President may remove, without warning, any website that is defunct or out of date.
- 14.18. The Union Systems Administrator(s) may remove, without warning, any website which is found to have security flaws.

Hosting and Addresses

19. All Clubs, ~~and~~ Societies & Projects websites must be hosted on a Union-administered server.

19-20. All Club, ~~and~~ Society & Project web addresses must be in the format <http://www.union.ic.ac.uk/<Management Group CSC/FU>/<club name>>

Formatted: Bullets and Numbering

21. All Club, ~~and~~ Society & Project contact email addresses must end @imperial.ac.uk

21-22. Clubs, Societies & Projects may request additional email storage through the DPFS. The cost of such storage will be charged to the Club, Society or Project ~~club~~.

Formatted: Bullets and Numbering

21-23. That all ~~Club, and~~ Society or Project mailing lists must be hosted by Imperial either as a Mailman list or an Exchange distribution list as appropriate.

24. Clubs, Societies & Projects with existing external domain names must not advertise such names but are permitted to redirect from them.

24-25. No Club, Society or Project shall set up new external domain names for the purpose of redirection.

Formatted: Bullets and Numbering

Software

26. All website software must be kept up to date. The Club, Society or Project Chair will take responsibility for any action arising from out of date software.

Content

27. All Union web content, including that of individual Clubs, Societies & Projects is subject to College's codes of practice and ICT regulations.

27-28. All Union web content must comply with all other current Union Policy.

Formatted: Bullets and Numbering

27-29. No un-moderated fora may be hosted on Union web servers.

27-30. All advertisements must comply with College Policy and Regulations.

27-31. All advertisements must be approved by the DPFS.

27-32. All content must be in English or have an English translation of anything said in a foreign language, the translation being equal or greater in prominence.

27-33. No content should contain any offensive language, including implied offensive language.

27-34. No content should contain material that may bring the Union or College into disrepute or is of a libellous nature.

27-35. All members should be made aware that content hosted on all external sites (such as YouTube, Flickr, Facebook and Myspace etc.) has the potential to bring the College into disrepute and further disciplinary action may be taken in the case of misuse.

Disputes and Disciplinary Action

36. All disputes with regards to the operation of Union web facilities that cannot be addressed by the DPFS and the President shall be considered by the Executive Committee.

36-37. The President may issue a fine to a Club, ~~or~~ Society or Project which does not adhere to terms set out in this policy.

Formatted: Bullets and Numbering

36-38. The President may also suspend indefinitely, all web facilities made available to the Club, ~~or~~ Society or Project in breach of the terms of this policy.

Executive Committee

~~4th November 2010~~ Passed by Executive Committee

~~14th January 2019~~

Formatted: Superscript

~~36-39.~~ Action in sections 34 and 35 constitute summary punishment under the Disciplinary Policy and are subject to appeal and written notification, as detailed in that policy.

~~36-40.~~ A serious breach may involve an individual, ~~or Club,~~ ~~or Society~~ or Project being referred to the Disciplinary Committee as per the Disciplinary Policy. Action of this nature shall be reported to the Clubs and Societies Board.

Exemptions

41. The President may exempt a Club, ~~or Society~~ or Project, or any other constituent part of the Union from any of these rules.
