

Imperial College Union  
**CSB Name Changes**  
*Clubs & Societies Board committee*

**Background**

- When the new Constitution and Bye-Laws were passed they contained some name changes which have not been completely updated
- Due to numerous changes to the constitution there is a lack of consistency within policies.

**Proposal**

To define a list of equivalent or replacement terms to update all Clubs, Societies & Projects Board policies and standing orders. This will simply replace terms or policy references within current policies and standing order without passing them individually. There shall be no rewording of policies or standing orders without the respective document being passed in the usual manner.
